

Poster Prize presented at the
International Neuro4D
Conference 2022

Best Approach for the Treatment of Neurodegenerative Diseases

The majority of all delegates at the NeuroDegenerative Disease Drug Discovery Conference 2022 in Mainz, Germany, have voted for the poster entitled:

A Disease Associated Conformation of Macrophage Migration Inhibitory Factor as a Novel Drug Target in Alzheimer's Disease

and presented by:

Andreas Müller-Schiffmann and Carsten Korth,
Neuropathology, University Düsseldorf, Germany

The price is published on the Neuro4D website and is honored by one thousand €uro in cash.

Dr. Andreas Köpke, Organizer, Mainz, May 17 2022
